Responsibilities

- Safe operation of delivery truck for bulk fertilizer, bagged/toted fertilizer, seed, chemical and liquid deliveries within Ontario
- Daily inspection and maintenance of delivery unit, including preventative maintenance to keep equipment operating efficiently while minimizing downtime
- Provide a consistent level of customer service
- Follow internal process and practice and ensure all paperwork is organized and documented accordingly to ensure good record-keeping for our customers
- Assist operational activities during down times at our plant location(s). Duties would vary but may include filling tote bags, operation of forklift to load and unload shipments and deliveries, general maintenance, vehicle upkeep, etc.
- Maintain good housekeeping in plant, yard and vehicle between scheduled deliveries

Qualifications

- Valid AZ or DZ license with good driving record
- Ability to drive manual transmission vehicles, required
- Comfort in operating flat deck, curtain side, tender trucks and occasionally water trucks
- Customer service oriented with a positive attitude and a dedication to personal improvement and skill development
- Ability to complete necessary forms and tickets tied to customer deliveries accurately and consistently
- Ability to work in a fast-paced environment both as an individual and part of a team, and willing to work seasonably long hours as required
- Good oral and written communication skills
- Attention to detail
