

FULL TIME PLANT & WAREHOUSE OPERATOR

 Location: Orangeville

This role supports daily fertilizer blending, packaging, inventory handling, and general warehouse operations in a fast-paced, seasonal agricultural environment. This position involves a wide range of duties that may change daily depending on seasonal demand, production schedules, and team needs.

Responsibilities

- Material Handling & Production
 - Receive, inspect, and verify incoming materials to ensure accuracy and quality
 - Package fertilizer products efficiently while following established procedures
 - Ensure finished products are properly labeled, presentable, and meet quality standards
 - Minimize product loss, damage, and unnecessary handling
 - Follow all safety procedures and wear required PPE
 - Work safely around equipment, materials, and vehicles
- Inventory & Documentation
 - Maintain accurate inventory and shipment records
 - Complete and submit required paperwork in a timely and organized manner
 - Communicate discrepancies or issues to supervisors promptly
- Equipment & Facility Care
 - Follow preventive maintenance schedules and maintain related records
 - Keep the warehouse and surrounding areas clean, organized, and professional in appearance
- Customer Service & Teamwork
 - Support a positive customer experience through friendly, professional interactions
 - Fulfill orders accurately and efficiently
 - Communicate effectively with supervisors and coworkers
 - Take ownership of assigned tasks and support other warehouse or plant operations as needed

Qualifications

- Required Qualifications
 - Positive attitude and willingness to learn
 - Strong communication and teamwork skills
 - Ability to perform physical work in a warehouse environment. Ability to lift up to 25kg.
 - Valid driver's license and reliable transportation
 - Interest or background in agriculture
 - Comfortable working at heights
- Preferred Qualifications
 - Previous warehouse, plant, or equipment experience
 - Millwright and equipment maintenance experience is considered an asset.
 - Familiarity with Microsoft Office or inventory systems

Training will be provided,. We welcome applicants with a strong work ethic and an interest in agriculture, even if they do not meet every qualification listed.
