

AGRONOMY INTERN – CUSTOMER SERVICE SUPPORT & CROP SCOUTING

Responsibilities

- Provide friendly and professional customer service to walk-in customers, phone inquiries, and email communications.
- Assist customers with product information, order processing, and general inquiries.
- Support agronomists with customer communication, follow-up activities, and administrative tasks.
- Conduct crop scouting activities, including identifying weeds, diseases, insect pressure, and crop development stages.
- Record field observations accurately and communicate findings to the agronomy team.
- Assist with field trials, sampling, and other agronomic projects as required.
- Support warehouse and retail operations, including receiving, organizing, and preparing products for customer pickup and delivery.
- Maintain a clean, organized, and safe work environment.
- Assist with inventory management and seasonal operational activities.
- Work collaboratively with customers, suppliers, and team members to support grower success.

Qualifications

- Currently enrolled in or recently graduated from an agriculture, agribusiness, crop technology, or related program.
- Passionate about agriculture and eager to learn in a hands-on environment.
- Strong communication, customer service, and interpersonal skills.
- Comfortable working independently and as part of a team.
- Strong organizational skills and attention to detail.
- Proficient with Microsoft Office and willing to learn new technology and systems.
- Valid driver's license and access to reliable transportation.
- Ability to work extended seasonal hours and perform outdoor field work.
